

Hokkaido salmon furikake series

(crunchy dried pieces of food used as a seasoning sprinkled on rice)

This furikake series features salmon, which is the most popular furikake ingredient in Japan.

Conveniently packed in small packets! There are five small packets in a bigger package.

This furikake, which contains kelp and salmon from Hokkaido, has a full-on flavor of the sea around the prefecture. The kelp flavor is strengthened by additional kelp powder. The product is packed in conveniently sized packets. Each packet contains 3 g of furikake.

This authentic salmon kimchi furikake features its spicy kimchi taste. It is packed in conveniently sized packets. Each packet contains 3 g of furikake.

This is a typical furikake combination of egg (everyone's favorite), Hokkaido salmon, bonito, laver and sesame. It is packed in conveniently sized packets. Each packet contains 3 g of furikake.

Sea Vegetable

Soft, tasty makombu kelp harvested in southern Hokkaido in spring is processed into fine strips like somen noodles.

This dried food is rehydrated by soaking in cold or hot water for three to five minutes. This tastes good in salads, stir-fried dishes and one-pot dishes. This value pack contains three large pieces.
